

## SONG LYRICS FOR AUGUST 30

### Draw Me Close to You

Draw me close to you  
Never let me go  
I lay it all down again  
To hear you say that I'm your friend  
You are my desire  
No one else will do  
'Cause nothing else can take your place  
To feel the warmth of your embrace  
Help me find the way  
Bring me back to you, Lord  
Bring me back to you

You're all I want  
You're all I've ever needed  
You're all I want  
Help me know you are near

Draw me close to you  
Never let me go  
I lay it all down again  
To hear you say that I'm your friend  
You are my desire  
No one else will do  
'Cause nothing else can take your place  
To feel the warmth of your embrace  
Help me find the way  
Bring me back to you

You're all I want  
You're all I've ever needed  
You're all I want  
Help me know you are near

You're all I want  
You're all I've ever needed  
You're all I want  
Help me know you are near  
Help me know you are near

You're all I want  
You're all I've ever needed  
You're all I want  
Help me know you are near  
Help me know you are near

### Smile

Lost your way, lost your cool  
Then you straight up lost your mind  
Tried so hard to stay ahead  
But you keep falling behind  
Life is gonna pull you down  
Make it hard to see  
But a little change in your point of view  
Could be just what you need

There's always a reason to always choose joy  
Cause there's something deeper  
That the world can't destroy

Smile...When you think you can't  
Smile...Get up and dance  
Smile...There's a bigger plan  
The storm only lasts for a while...So smile

Happiness is wonderful  
But it doesn't stick around  
Walkin' on sunshine  
Then here come the clouds  
You can laugh or you can cry  
When it all falls apart  
But I believe the more you laugh  
The more you heal the heart

There's always a reason to always choose joy  
There's something deeper  
That the world can't destroy

Smile...When you think you can't  
Smile...Get up and dance  
And you've got a reason to smile  
When you think you can't  
Smile...Just clap your hands  
Smile...There's a bigger plan  
You've got a reason to smile

There's always a reason to always choose joy  
There's something deeper  
That the world can't destroy

Smile...When you think you can't  
Smile...Get up and dance  
Smile...There's a bigger plan  
you've got a reason to smile  
When you think you can't  
Smile...Just clap your hands  
Smile...There's a bigger plan  
You've got a reason to smile

Go ahead, get on up and smile  
You've got a reason to smile
